**RE: BPB GlasRoc® Sheathing with Bakor Air and Vapor Barrier Membranes**

Dear Mr. Gerken,

We are hereby confirming that GlasRoc® composite gypsum exterior sheathing, as manufactured by BPB, is an acceptable substrate for the installation of our Blueskin® and Air-Bloc® air barrier membranes.

Preparation of the substrate and installation of our Blueskin® and Air-Bloc® membranes should be carried out as per the recommendations stated in our data sheets and guide specifications.

We trust the above meets your current requirements.

Sincerely,

Marc Tropper, P.Eng  
Manager, Marketing and Technical Services
