Subject: **BPB Acoustical Ceiling Products with BioShield™ as a Standard Feature**

BPB provides the following acoustical ceiling products with BioShield mold and mildew resistance as a standard feature:

Celotex® Brand Cashmere®	(all products including 5 standard Colortones)
Celotex Brand Fine Fissured	(all products including 5 standard Colortones)
Celotex Brand Sand	(all products)
Celotex Brand Sand Micro™	(all products)
Celotex Brand School Board®	(all products)

BioShield is a broad-spectrum antimicrobial mold and mildew resistant surface treatment included in the paint applied to the face and back of the panels.

The inclusion of BioShield as standard in these products is part of the continuous improvement process implemented by BPB for its acoustical ceiling products.
