UPDATE

Date: January 1, 2007

Subject: CertainTeed GlasRoc® Sheathing Product MASTERSPEC®

This is to advise that the Product MASTERSPEC® for GlasRoc Sheathing and GlasRoc® Sheathing Type X was distributed by ARCOM on its June 2004 regular update CD-ROM. The update CD-ROM is sent to current MASTERSPEC® Licensed Users.

GlasRoc® Sheathing products are included in Section 06160 – Sheathing.

MASTERSPEC® is a product of the American Institute of Architects (AIA). The AIA selected ARCOM (Architectural Computer Services, Inc.) in 1995 to provide production, publishing and support for MASTERSPEC®.

An electronic version of the GlasRoc® Sheathing Product MASTERSPEC® is also available on our web site at www.GlasRoc.com and from your local CertainTeed Sales Representative.
